

# CURRICULUM VITAE

**Robert Daniel Moore, DO, FACOG**  
**Atlanta Urogynecology Associates**  
**3400-C Old Milton Parkway, Suite 330**  
**Alpharetta (Atlanta), GA 30005**  
**770-475-4499 (office) 770-474-9875 (fax)**  
[moorer33@hotmail.com](mailto:moorer33@hotmail.com)

**DATE OF BIRTH** May 8, 1965  
**PLACE OF BIRTH** Canandaigua, New York

## EDUCATION

Fellowship in Urogynecology and Advanced/Radical Pelvic Surgery Northside Hospital Southeastern Gynecologic Oncology 980 Johnson Ferry Rd. Suite 900 Atlanta, Georgia	7/98 – 6/00
Residency in Ob/Gyn Maine Medical Center University of Vermont Teaching Hospital 22 Bramhall Street, Portland, Maine	7/94 – 6/98
Doctor Of Osteopathic Medicine University of New England College of Osteopathic Medicine Biddeford, Maine	6/94
B.S., Biological Sciences SUNY College at Buffalo Buffalo, New York	1987

## POSITIONS

Co-Director Urogynecology Director Advanced Pelvic Surgery Atlanta Center of Laparoscopic Urogynecology Atlanta Urogynecology Associates Northside Hospital, Atlanta, Georgia	09/01 - Present
Co-Director, Managing Partner Atlanta Medical Research, Inc.	01/06-Present
Clinical Assistant Professor Philadelphia College of Osteopathic Medicine	01/06 - Present

Board of Advisors: America Association of Gynecologic Laparoscopists	2/08-Present
Review Board for: International Urogyn JI, JI Brazil Urology, JI of Reproductive Med., JI of Minimally Invasive Gyn, European JI of Obstetand Gyn & Repro Bio.	11/04-present
Consultant in Urogynecology and Advanced Pelvic Surgery for: Generations Obstetrics and Gynecology Portland, Maine	11/01 – 11/03
Director Urogynecology Resident Clinic Maine Medical Center, Portland, Maine	Jan-Sept 2001
Staff Physician/Clinical Instructor Urogynecology/Advanced Pelvic Surgery Maine Medical Center, Portland, Maine Maine General Medical Center, Waterville, Maine	6/00 – 11/03
Clinical Instructor Gyn Surgery University of Vermont Maine Medical Center, Portland, Maine	1/01 - Present
Clinical Instructor Laparoscopic Anatomy and Reconstructive Pelvic Surgery and Adv Laparoscopy Course University of Louisville, Louisville, Kentucky	7/03, 6/02 9/00
Chief Resident Ob/Gyn Maine Medical Center, Portland, Maine	7/97 - 7/98
Clinical Instructor Ob/Gyn University of Vermont College of Medicine	7/97 - 7/98
Environmental Scientist Naval Education and Training Center Newport, Rhode Island	3/89 – 9/90
U.S. Naval Officer U.S. Navy Pier II Newport, Rhode Island	6/87 – 6/89

**PROFESSIONAL AFFILIATIONS**

- American College of Surgeons – Fellow
- American College of Obstetricians & Gynecologists – Fellow
- International College of Surgeons - Fellow
- American Urogynecologic Society

- International Urogynecological Association
- American Association of Gynecologic Laparoscopists
- Society of Laparoendoscopic Surgeons
- American Urological Association – Member
- American Academy of Cosmetic Gynecologists
- American Academy of Cosmetic Physicians
- American Academy of Cosmetic Surgery - Associate

## AWARDS

AAGL - Kurt Semm Award – Excellence in Pelviscopy “Risk of Mesh Extrusion after Laparoscopic Sacral Colpopexy with or without concurrent Laparoscopic Assisted Vaginal Hysterectomy”	2007
AAGL Golden Laparoscope Award	2001
AAGL-Jerome Hoffman Prize Paper Award “Laparoscopic Burch for recurrent stress incontinence.”	2000
SLS Excellence in Laparoscopic Surgery Award	1998
Chief Resident Excellence in Teaching Award	1998
Medical School Class Rank: First	
Psi Sigma Alpha (Osteopathic AOA equivalent)	
Summa Cum Laude Graduate SUNY C. at Buffalo	
Who’s Who in American Universities	1994
Upjohn Meritorious Scholarship Award	1994

## VISITING PROFESSORSHIPS 2003 - 2008

San Paolo, Brazil Organizational Committee of the Intl. Symposium of Urogynecology Hospital Alvorado	8/08
Moscow, Russia Scientific Center for Obstetrics, Gynecology, and Perinatology XXI International Congress with Endoscopic and Robotic Surgery Course Technologies of XXI Century in Gynecology	06/08
Univ. of Chile, Santiago, Chile Visiting Professor, Guest Lecturer, Live Surgery Mini-sling: Next step in minimally invasive treatment Of Female SUI	3/08

Course Director:New approaches to SUI/Prolapse AMS Female Pelvic Health Courses Lectures and Cadaver Lab Miami, Atlanta, NYC, LA, Boston	Winter 07/08
Co-Chair, Post-grad Course on SUI AAGL Annual Meeting, Washington, DC	10/07
Chairman, Minimally Invasive Urogyn Course University Hospital, Dubai, UAE	9/07
Distinguished International Professor Guest Lecturer-TOT slings, Laparoscopic Reconst. Argentina Soc. Ob/Gyn Ann Mtg, Buenes Aires	7/07
Chairman, IUGA Post-Graduate Course Laparoscopic Urogyn 2007 IUGA Annual Mtg, Cancun, Mexico	6/07
Surgical Theatre, Univ Pretoria, S. Africa Laparoscopic Sacral Colpopexy, Vaginal Mesh Repairs. Live Surgery, Guest Lecturer	6/07
Surgical Theatre, Lisbon Portugal Laparoscopic Sacral Colpopexy-live surgery Lectures on Pelvic Anatomy, Mesh Complications	5/07
Course Director, New Approaches to Prolapse AMS Courses on Vaginal Mesh Procedures Lectures and Cadaver Lab Chicago, NY, LA, Seattle, Atlanta, Portland (OR)	Spring 2007
Faculty, Post Graduate Course, AAGL Ann. Mtg Lecture- Mesh complications in SUI surgery AAGL Annual Mtg, Las Vegas Nevada	11/06
Chairman, Lecturer Urogyn Update Lectures ACOG National Mtg, Chicago IL Lect- Laparoscopic Prolapse Repair, Mesh in Pelvic Surgery, New Approaches to SUI	11/06
Co-chair Symposium on New Techniques in Pelvic Organ Prolapse Surgery D. Hamid (Fr), M. Cervigni (It), W. Davila (US) IUGA Annual Mtg, Athens Greece	8/06
Distinguished Prof., Guest Lecturer, Live Surgery S. African Ob/Gyn Update Mtg Minimally invasive surgery for Prolapse University of Pretoria, S. Africa	6/06

Surgical Theatre, Santiago, Chile Course Director, New techniques in Prolapse surgery Live Surgery-Cystocele, Rectocele, vault repair w/ Minimally invasive grafts and TOT slings.	3/06
Faculty, Int. Soc.Gyn Endoscopy Mtg Buenes Aires Argentina Lecture: TOT vs TVT slings	4/06
Live Surgery, Univ. Turkey, Budapest Turkey Division of Urology and Surgery New techniques in vaginal surgery w/mesh	2/06
Distinguished Prof., Guest Lecturer, Live Surgery Laparoscopic Pelvic Reconstruction Course Laparoscopic Sacralcolpopexy, Perigee IASO Clinic, Athens, Greece	2/06
Guest lecturer- Univ of Maryland, LSU, Stanford Univ Washington, Montefiore Med. Ctr, East. Va Med School, Univ. Hawaii, Univ Utah, Cleveland Clinic (FL) Minimally invasive techniques for prolapse and SUI	Summer/Fall 2005
Surgical Theatre, Helsinki, Finland (Univ. Turku) Course director, New techniques in vaginal surgery Live surgery-Cystocele, rectocele, vault prolapse w/ Minimally invasive graft techniques	10/05
Live Telesurgery, American Urogyn Soc. Ann. Mtg Transmitted live to meeting in Atlanta Vaginal repair of prolapse with mesh	9/05
ACOG Post-Grad Course, Faculty Minimally invasive treatments for Urinary Incontinence ACOG Annual Mtg, San Francisco, CA	5/05
Live Surgery, University of Rome, Italy Laparoscopic Uterine Suspension, Paravag repair	2/05
Surgical Theatre, Madrid Spain Course director, New techniques in vaginal surgery Live Surgery- Vaginal reconstruction using mesh	2/05
Live Telesurgery, Global Endoscopy Meeting/AAGL Transmitted Live fm Atlanta to San Francisco Transobturator approach for cystocele repair	11/04
Surgical Theatre, Strasbourg, France Demonstration of Vaginal vault repair	9/04

International Urogyn and Continence Society, Paris, FR Annual Mtg, Guest Lecturer The choice of graft materials in pelvic surgery	7/04
AMS, Minneapolis, MN Moderator, International Meeting for the introduction Of new techniques for Prolapse Surgery. Faculty incl: D.Hamid, France, AJ Rane, Australia, W. Davilla, M.Walters, Cleveland Clinic, USA	6/04
Georgia Osteopathic Society, Ann Mtg, Destin, FL Guest Lecturer: New Treatments for Incontinence	6/04
Univ. California at San Diego, CA Posterior IVS for Vault Prolapse Course Director Lectures and Surgical demonstration	4/04, 7/04
Univ. Of Chile, Santiago, Chile Featured Guest Lecturer, Intl. Urogyn Course “Laparoscopic Pelvic Floor Repairs” “Innovations in Pelvic Floor Surgery”	4/04
Tulane University, New Orleans Minimally Invasive Sling for SUI Course Lecture/surgical demonstration	3/04
PMIT, Dallas, TX Transobturator Sling for SUI, Course Director Lecture/surgical demonstration	3/04
University of South Carolina, Charleston Transobturator Sling Surgical Course Director Lecture/surgical demonstration	2/04
Emory University, Atlanta, GA Posterior IVS for Vault Prolapse Course Lecture and surgical demonstration	2/04, 6/04
Bard Urology, National Sales Meeting Featured speaker: “The use of grafts in pelvic Reconstructive surgery”	1/04
Cleveland Osteopathic Society, Annual Mtg Guest lecturer:New treatments for Incontinence.	1/04
Univ. of Washington, Seattle, Course director Monarc Sling for treatment of SUI. Lecture and Demonstration of surgical technique	1/04, 4/04
Univ. Of Miami, Center for Minimally invasive	12/03

Surgery. Minimally invasive approach for vaginal Vault prolapse. Lecture/surgical demonstration	
Am. Assoc. Gyn Laparoscopists Annual Mtg. Chair, Debate between Dr.'s Alan Lam (Austr) and Tom Julian (US), "All Pelvic Support Defects can Be Repaired Laparoscopically"	11/03
International Urogyn Society, Guest lecturer "Revolutionary treatment of SUI-TOT/Monarc Slings" Buenos Aires, Argentina	10/03
Presbyterian Institute Minimally Invasive Technology Dallas Texas Monarc/TOT Slings for SUI. Course director	9/03
Louisiana State University, Dept. of Ob/Gyn Minimally invasive treatment of SUI. Lecture and Demonstration of surgical technique.	7/03
Phoenix, Arizona. Urology and Ob/Gyn Depts. Monarc Slings for treatment of SUI. Lecture and Demonstration (instructor) of surgical technique.	7/03
Surgical theatre, Lyon and Montpellier France Demonstration of Monarc sub-fascial Slings	4/03
Surgical Theatre, Univ. of Szeged, Hungary Demonstration of Laparoscopic Burch Procedure	6/03
Hungarian Endoscopy Society, Featured Speaker Laparoscopic treatment of rectocele, enterocele And vault prolapse. Budapest, Hungary	6/03
Univ. of Louisville, AAGL Laparoscopic Anatomy and Reconstructive Pelvic Surgery Course (Cadaveric). Clinical Instructor and guest lecturer.	6/03
Instructor and Co-Surgeon Urogynecology Symposium and Live Telesurgery Stamford Hospital, Connecticut	7/00

**MEDICAL ADVISOR**

AAGL Advisory Board Cypress, CA	2008
C.R. Bard Urology Covington, Georgia	

US Surgical, Tyco  
Division of Female Pelvic Health  
Stamford, CT

American Medical Systems  
International Medical Board Advisor, Consultant  
Division of Urology and Pelvic Health, Minnetonka, MN

Eli Lilly  
National Advisor, Speaker

Watson Urology  
National Advisor, Speaker  
Princeton, New Jersey

Ortho-McNeil Pharmaceuticals  
Raritan, New Jersey  
Odyssey/Indevus Pharmaceuticals, USA

#### **GRANTS/STUDIES:**

178-CL-047

09/08 - Current

A Phase III, Randomized, Double-Blind, Parallel Group, Placebo Controlled,

Multicenter Study to Assess the Efficacy and Safety of the Beta-3 Agonist YM178 in Subjects with Symptoms of Overactive Bladder  
Astellas Pharmaceutical Inc., USA

DRI6271 01/08 - Current  
A Placebo controlled Randomized, 12-Week, Dose-Ranging, Double-Blind Study versus Placebo Using Tolterodine as a Study Calibrator, to Evaluate Efficacy and Safety of SSR240600C in Women with Overactive Bladder Including Urge Urinary Incontinence  
Sanofi – Aventis U.S. Inc.

CBC – 302 – 602 – 622467 01/08 - Current  
Randomized, Double-Blind, Parallel-Group Study Evaluating the Safety and Efficacy of Clindamycin/Butoconazole Vaginal Cream in the Treatment of Mixed Bacterial Vaginosis/Vulvovaginal Candidiasis Infections  
KV Pharmaceutical

AMS MiniArc WC0605- Principal Investigator 7/07 - Present  
Long Term Effectiveness Trial for AMS Sling Systems  
American Medical Systems

Embrace 2007004- Co-Investigator 7/2007- Present  
A Randomized, Double-Blind, Placebo-Controlled, Multi-Center, 52 Week Study to Evaluate the Endometrial Safety of Transdermal Testosterone (300mcg/day) in Naturally Postmenopausal Women with Hypoactive Sexual Desire Disorder  
Constella P&G

THVD-101-02 7/2007 - Current  
Comparison of THVD-101, a Combination of an Antimuscarinic and Muscarinic Agonist vs. an Antimuscarinic Agent, Alone in Subjects with Overactive Bladder (OAB) Symptoms  
Thera Vida, Inc.

D3601113 5/2007 - Current  
A 10-week randomized, double-blind, parallel-group, placebo-controlled phase 2 study to investigate the extent of symptom relief and the safety and tolerability of SMP-986 (20 mg, 40 mg, 80 mg, and 120 mg) administered once daily for 8-weeks to patients with overactive bladder syndrome  
Dainippon Sumitomo Pharma Europe Ltd.

Renessa 2820- Co-Investigator 5/2007 – Present  
A Prospective Study to Evaluate the Effectiveness of the Renessa Treatment for Female Stress Urinary Incontinence in Women with Suboptimal Response to Surgical Treatment  
Novasys Medical

Propel 1004- Principal Investigator 5/2007 – Present  
A Prospective, Multi-Center Study to Assess the AMS Pelvic Floor Repair System Devices for Prolapse Repair  
American Medical Systems

DZ2-201-601-725036- Co-Investigator 4/2007 – Present  
Clinical Study Evaluating the Safety and Efficacy of 2 regimens of Danazol  
Administered Intravaginally for 3 Months in Women with Moderate to Severe  
Pain Associated with Endometriosis  
KV Pharmaceuticals

Renessa CP-2639 6/2006 - Current  
A Prospective Study to Evaluate Renessa Long-term Durability for the  
Treatment of Female Stress Urinary Incontinence

672-CL-035 6/06 – 7/07  
A Phase 2, Randomized, Double-Blind, Placebo-Controlled Study of YM672 in  
the Treatment of Painful Bladder Syndrome/Interstitial Cystitis.  
Astellas Pharmaceutical Inc., USA

PIN-5004 5/06 – 11/06  
A Randomized Multi-Center Double Blind Controlled Study to Assess the Safety  
and Effectiveness of Permacol® Injection versus Contigen® Implant as a  
urethral Bulking Agent in the Treatment of Urinary Stress Incontinence Due to  
Intrinsic Sphincter Deficiency.  
Tissue Science Laboratories, plc

OG05009 6/2006 – 3/2007  
A Multi-Center, Double-Blind, Placebo-Controlled Study of the Efficacy and  
Safety of Daily Dosing with Oxybutynin Topical Gel to Treat the Symptoms of  
overactive Bladder.  
Watson

CDAR328A2404 6/2006 – 1/2007  
A 12-week, open-label, non-randomized, multicenter study to evaluate the  
patient's perception of outcome after treatment with darfenacin in overactive  
bladder patients dissatisfied with prior anticholinergic therapy.  
Novartis Pharmaceuticals Corporation

PALO-04-06 3/06 – 9/06  
A Randomized, Double-blind, Multicenter, Parallel Group, Balanced, Stratified,  
Phase 3 Study to Evaluate the Efficacy and the Safety of Single IV Doses of  
Palonosetron 0.025 mg, 0.050 mg, and 0.075 mg versus Placebo in outpatients to  
Prevent Postoperatvie Nausea and Vomiting Following Elective Abdominal or  
Gynecological Laparoscopic Surgery.  
Helsinn Healthcare SA

NRGMON-CON-3001 12/2005  
A Randomized, Double-Blind, Two-Part, Parallel-Group, Comparative Study to  
Evaluate Blood Folate Levels in Women Taking an oral Contraceptive With and  
Without Folic Acid.  
Johnson & Johnson

NKT-102260 6/2005 - 9/2005

A Multicenter, Randomized, Double-blind, Placebo-controlled, Dose-ranging, Parallel Group Phase II Study to Evaluate the Safety, Efficacy, and Pharmacokinetics of the oral Neurokinin-1 Receptor Antagonist, GW679769, When Administered with Intravenous Ondansetron Hydrochloride for the Prevention of Post-operative Nausea and Vomiting (PONV) and Post-discharge Nausea and Vomiting (PNNV) in Female Subjects with Known Risk Factors for PONV Who are Undergoing Surgical Procedures Associated with an Increased Emetogenic Risk.  
GlaxoSmithKline

RAB-AICT-01 3/2005 – 5/2006  
A Randomized, Double-Blind, Placebo-Controlled Study of the Effects of 2% L-Arginine/Menthol Topical Cream in the Treatment of Interstitial Cystitis.  
RetroActive Bioscience

MES043 U.S. Principal Investigator 4/05-present  
A Multi-Center Study to Assess the Perigee™ Transobturator Cystocele Repair System with IntePro™ Large Pore Polypropylene.  
American Medical Systems

RAB-AICT-01 Co-Investigator 3/05 – 5/2006  
A Randomized, Double-Blind, Placebo-Controlled Study of the Effects of 2% L-Arginine/Menthol Topical Cream in the Treatment of Interstitial Cystitis.  
RetroActive Bioscience

CDAR328AU201 Co-Investigator 6/05 – 4/2006  
A 12-week, randomized, open-label, parallel-group, multi-center study to evaluate Enablex® (darifenacin) (with voluntary titration) alone or in combination with Behavioral Modification Program for OAB.  
Novartis

VAG-2195 Co-Investigator 6/05 – 01/2007  
A 12 month Double-Blind, Randomized, Parallel-Group, Placebo-Controlled, Multi-Center Trial to Investigate the Efficacy and Safety of Vagifem Low Dose (10 ug 17β-estradiol vaginal tablet) for Treatment of Postmenopausal Atrophic Vaginitis Symptoms

A6121002-Multicenter study eval. Effect of Detrol LA 2/05-8/2006  
On UUI, sexual AOL and sexual function in female OAB.  
Pfizer Pharma, USA

A6061023 12/04 – 8/2006  
A Phase 2, 8-Week, Multi-Center, Randomized Double-Blind, Placebo Controlled, Parallel Group Study Evaluating the Efficacy, Tolerability and Safety of [S,S]-Reboxetine (PNU-165442G) for Stress Urinary Incontinence in Women.  
Pfizer

S1664003-Efficacy comparing Estrogel w/placebo in tx Of Vulvar/vaginal atrophy in menopause. Solvay	11/04-Aug 2005
B3D-US-GHCQ “A Long-Term Prospective Observational Study of the Effectiveness, Safety and Tolerability of FORTEO Therapy in the Community Setting” Eli Lilly	7/04 – 5/2005
905-UG-005 “A Randomized, Double Blind, Placebo-controlled, Parallel-Group, Multicenter Study to Assess the Efficacy and Safety of Daily Oral Administration of 5 MG and 10 MG Vesicare in Patients Not Previously Exposed to Anticholinergic Drugs for the Treatment of Urgency Associated With Overactive Bladder” Yamanouchi	7/2004 – 4/2006
S0302106, 107, 110 “A Multi-Center, Double-Blind Study to Determine the Efficacy of Estratest Tablets in Relieving Menopausal Symptoms in Estrogenized Postmenopausal Women” Solvay Pharmaceuticals	6/04 – 8/2007
F1J-US-SBCD- Open label study for efficacy and safety Of Duloxetine HCl 40mg BID for SUI, Eli Lilly.	6/04-6/2005
905-UC-001 Open Label Study of the Efficacy and Safety of 5 and 10mg Vesicare in Patients with Overactive Bladder Symptoms. Yamanouchi Pharma America, Inc.	6/2003– 4/2006
IP631-005-double blind, placebo controlled study of Trospium Chloride for Overactive Bladder AAI International Pharma, Natick, MA	6/2003-8/2004
MES032 AMS - US Principal Investigator United States Multi-Center Marketing Evaluation Study on the Utility and Effectiveness of the AMS Monarc Subfascial Hammock American Medical Systems, Minnetonka, MN	7/2003-5/2006
ML/AD002-PAMELA-double blind, multi-center Study of efficacy of Adept in reduction of post-surgical Adhesions after laparoscopic surgery. ML Labs, UK	7/03-11/04
CT-MONT00102-A comparison of Gynecare Monitorr And multichannel urodynamics. Gynecare, NJ	6/03-1/04
G990294-Evaluate safety and efficacy of the Surx Solarant System in the treatment of female stress	2/02

incontinence. SURx, Inc. Livermore, California

2002-012- A clinical assessment of patients undergoing Gynecare TVT with abdominal guides for stress incontinence. Gynecare, Somerville, New Jersey

2/02

C-2001-019-00- Comparison of the efficacy and tolerability of Ditropan XL and Detrol LA in the treatment of overactive bladder. Alza Corp, Mountain View, California
